Import Music Files

Macsome Amazon Music Downloader supports two conversion modes: Amazon Music app and Amazon Music web player.

Record from the Amazon Music App

Tap the Amazon Music App option, and Amazon Music app will start at the same time. Open a playlist, artist or album on the Amazon Music app, directly drag and drop the playlist from the Amazon Music app to the rectangular box. Plus, you could also copy and paste the link for parsing.

Record music from the Amazon Music web player

Open a playlist, artist or album in the Amazon Music web player, then click on the "**Add**" icon and load the songs.

Then you can select the tracks that you'd like to convert from the popup window.
