Purchase Macsome Audiobook Converter for Win

Quick Link:

To learn more and download the latest version of Macsome Audiobook Converter for Windows, please visit to its homepage:

<https://www.macsome.com/audio-book-converter-win/>

To buy a license key for Macsome Audiobook Converter for Windows, [please visit its online store](#).

1. Why should I buy Windows version of Macsome Audiobook Converter?

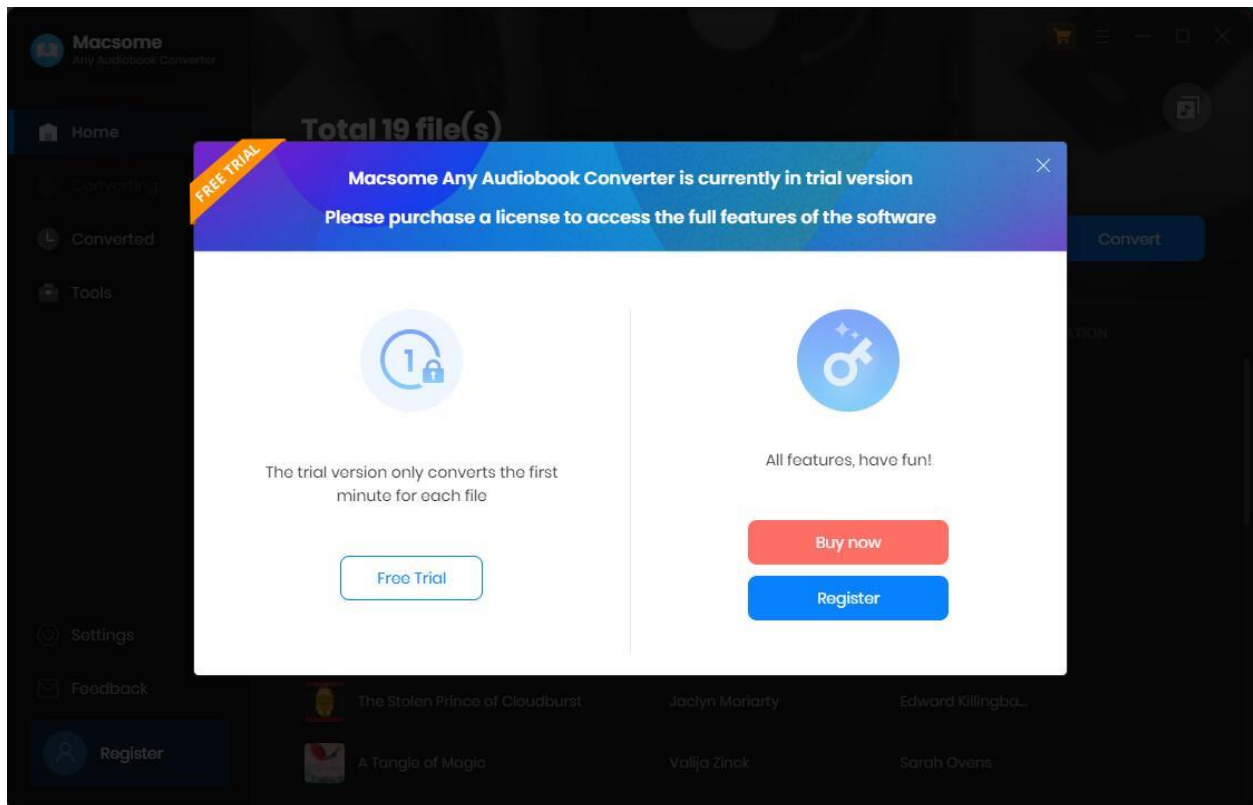

Macsome Audiobook Converter Windows version is a shareware. It offers a free trial version.

When you choose to convert content from the Audible Library, the free trial version allows you to convert 1 minute for each file.

After purchasing the program, you will be provided a license with your user ID and key code to unlock this limit.

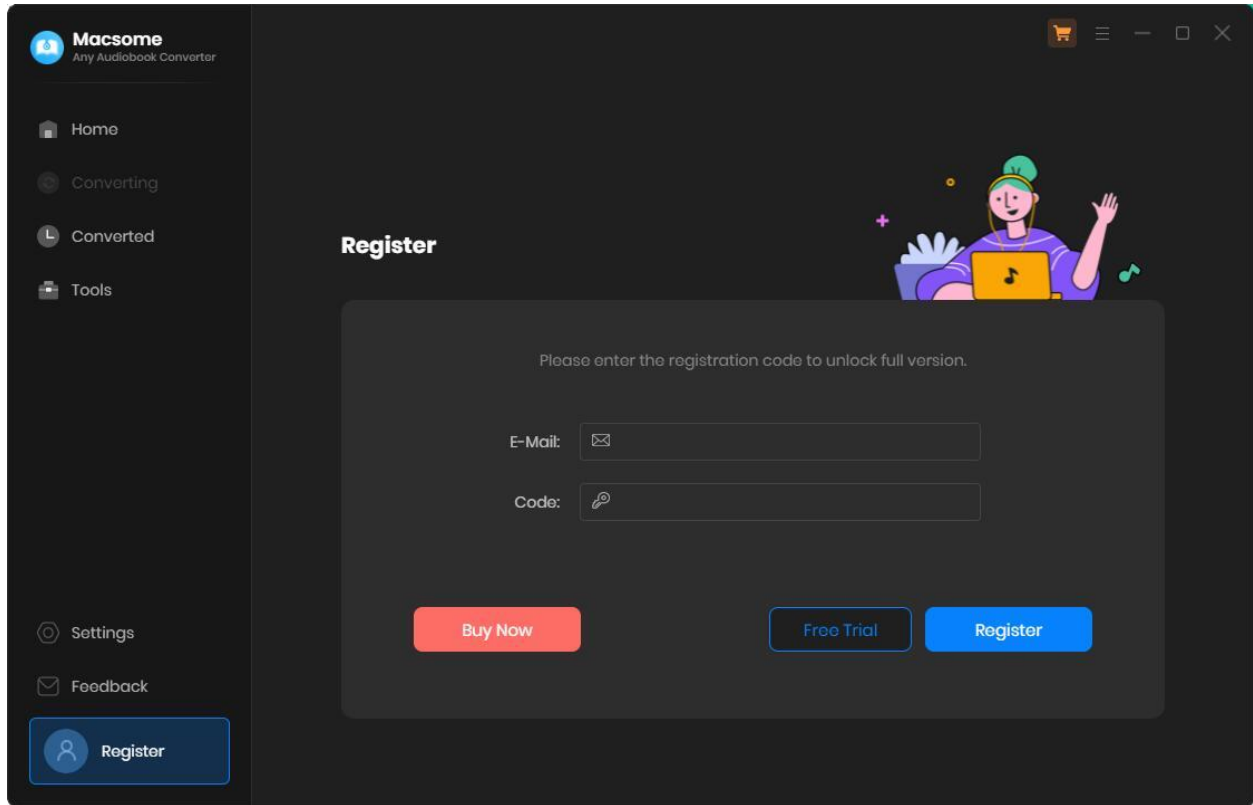

2. What benefits do I have after registration?

- You can convert audiobooks without time limitation.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical supports.

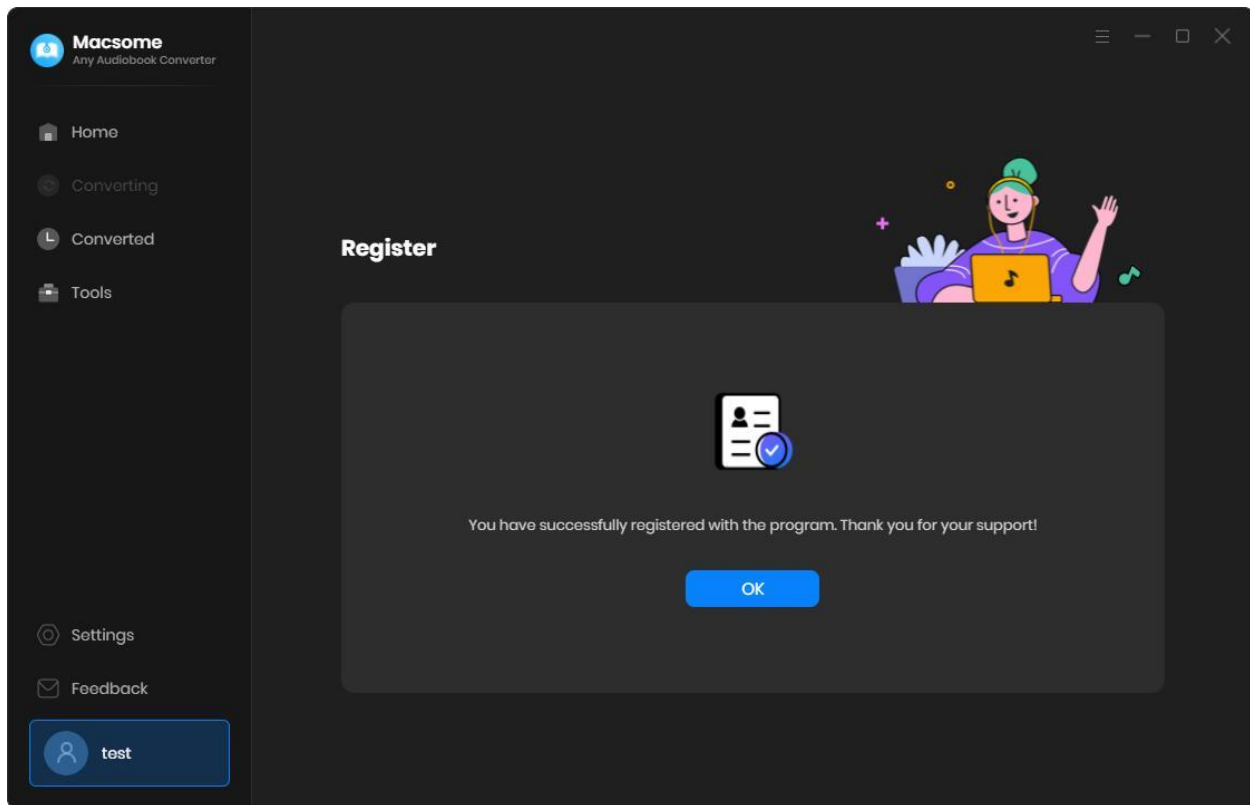

Register Macsome Audiobook Converter for Win

Step 1. Run Macsome Audiobook Converter for Win. You can directly click the "Register" in the lower-left, and you will get the registration window.

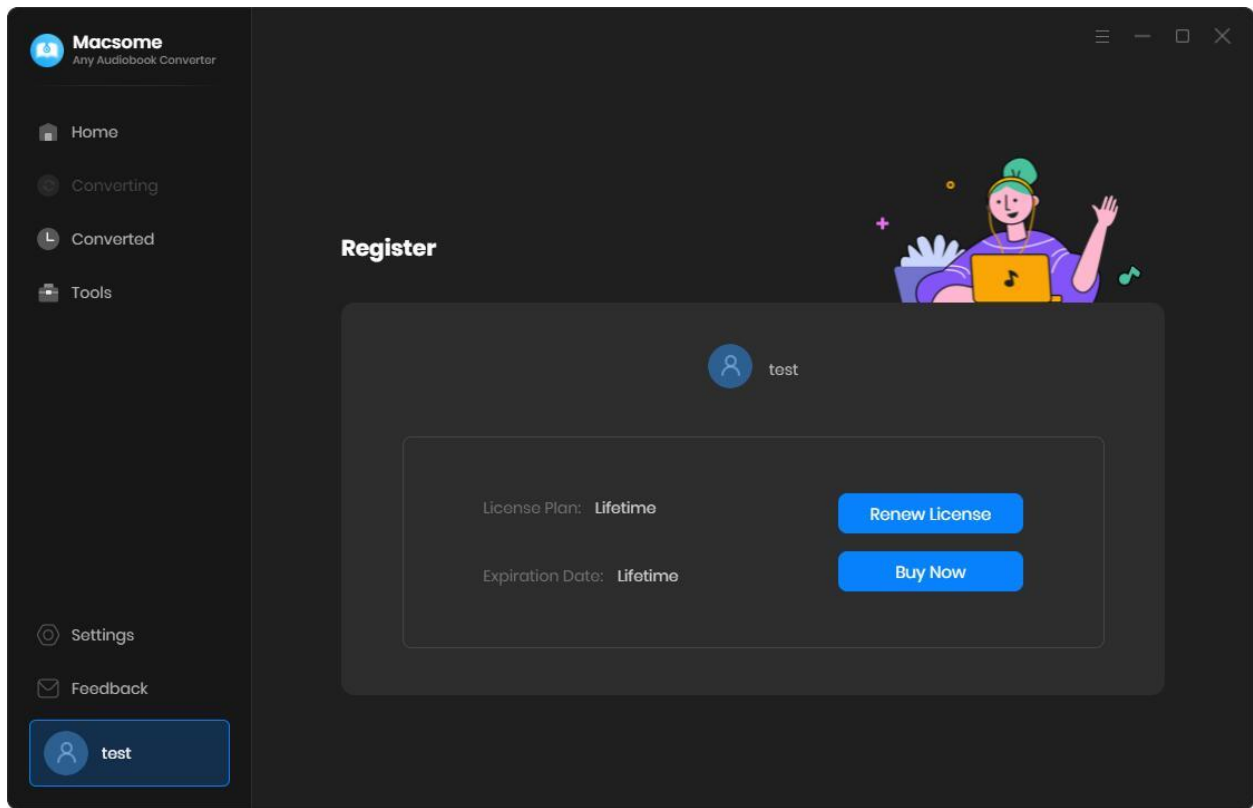

Step 2. Copy and paste the registration Email and Code into the registration popup dialog.

Note: The registration info is case sensitive. And, please do not add blank at the beginning or the end of the word. Make sure both the Email address and key code are the same as what we provided in the confirmation email after purchasing the program.

After the renewal, you will receive a new license. Please launch Macsome Audibook Converter, from the menu list, click "**Register - Renew License**" and activate it again via the new code.

Add Audible Audiobooks

Currently, you can add audiobooks and podcasts from Audible.com directly, you can also convert audiobooks in Audible Plus catalog.

When you open Macsome Audiobook Converter, the Audible online player will start at the same time.

Please use your Audible account to sign in.

Select audiobooks from Audible online library, please click the “Click to add” button.

The screenshot shows the Audible Online Library interface. At the top, there's a navigation bar with the Audible logo, user information (Hi, Cuffica!), credits (0 credits available), and links to buy extra credits, help, and language settings (English). Below this is a search bar labeled "Find your next great listen". The main section is titled "Library" and includes a sub-search bar "Search your Library". Navigation tabs include "All", "Audiobooks", "Podcasts", "Wish List", "Collections", and "Authors". Filter buttons for "All titles", "Finished", and "Unfinished" are present, along with a "Date added" dropdown and a "Select" button. The first audiobook listed is "The Deck Investigates" by audiochuck, with a description: "Our card this season is Darlene Hulse, the 4 of Hearts from Indiana. Darlene Hulse was forcibly taken from her home in Argos, Indiana on August 17, ...". A "Click to add" button with a plus icon is next to it. Below this is another audiobook, "No More Mr. Nice Guy: A Proven Plan for Getting What", with a duration of 6h 49m.

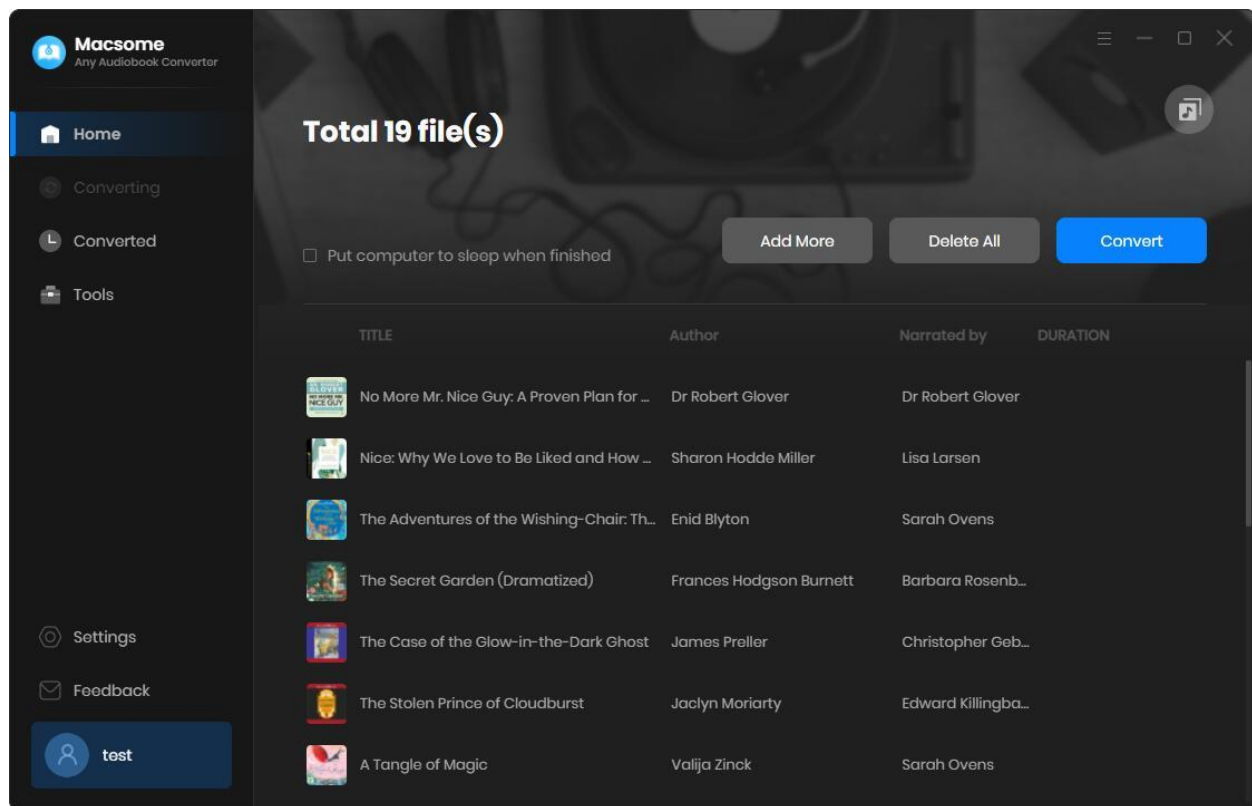

The screenshot shows the Macsome Audiobook Converter application. On the left is a sidebar with options: Home, Converting, Converted, Tools, Settings, and Feedback. The main window displays a list of audiobooks to be converted. At the top, there's a header for "No More Mr. Nice Guy: A Proven Plan for Getting Wh..." with a "Total 19 file(s)" label and a "Filter Converted" toggle. Below this is a table of audiobooks with checkboxes for selection.

<input checked="" type="checkbox"/>	TITLE	Author	Narrated by	DURATION
<input checked="" type="checkbox"/>	No More Mr. Nice Guy: A Proven Pla...	Dr Robert Glover	Dr Robert Glover	
<input checked="" type="checkbox"/>	Nice: Why We Love to Be Liked and ...	Sharon Hodde Miller	Lisa Larsen	
<input checked="" type="checkbox"/>	The Adventures of the Wishing-Ch...	Enid Blyton	Sarah Ovens	
<input checked="" type="checkbox"/>	The Secret Garden (Dramatized)	Frances Hodgson ...	Barbara Rosenblat, Mich...	
<input checked="" type="checkbox"/>	The Case of the Glow-in-the-Dark ...	James Preller	Christopher Gebauer	
<input checked="" type="checkbox"/>	The Stolen Prince of Cloudburst	Jaclyn Moriarty	Edward Killingback, Imog...	

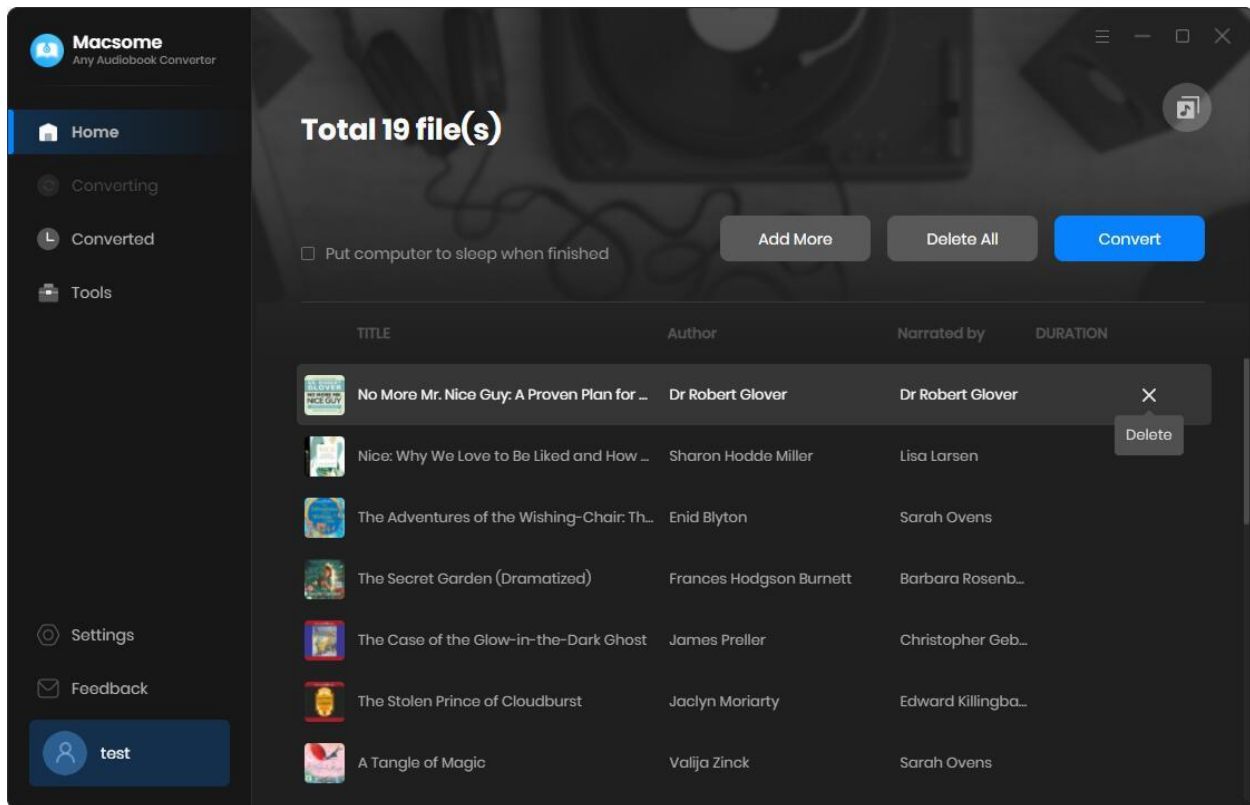

At the bottom of the application, there's a "test" button and a "View All" link.

Click the **Add** button, and the selected audio books will be added to the main window.

Delete Audible Files

All audio books that you need to convert will be listed below. If you still want to delete some files now, just move your mouse on the file and there is a small delete icon to delete the file. If you think you don't want all of them, there is a **"Delete All"** button.

Customize Output Settings

Click on **Settings** tab from the menu bar on the left, and then there will be a pop-up window which allows you to set the output parameters.

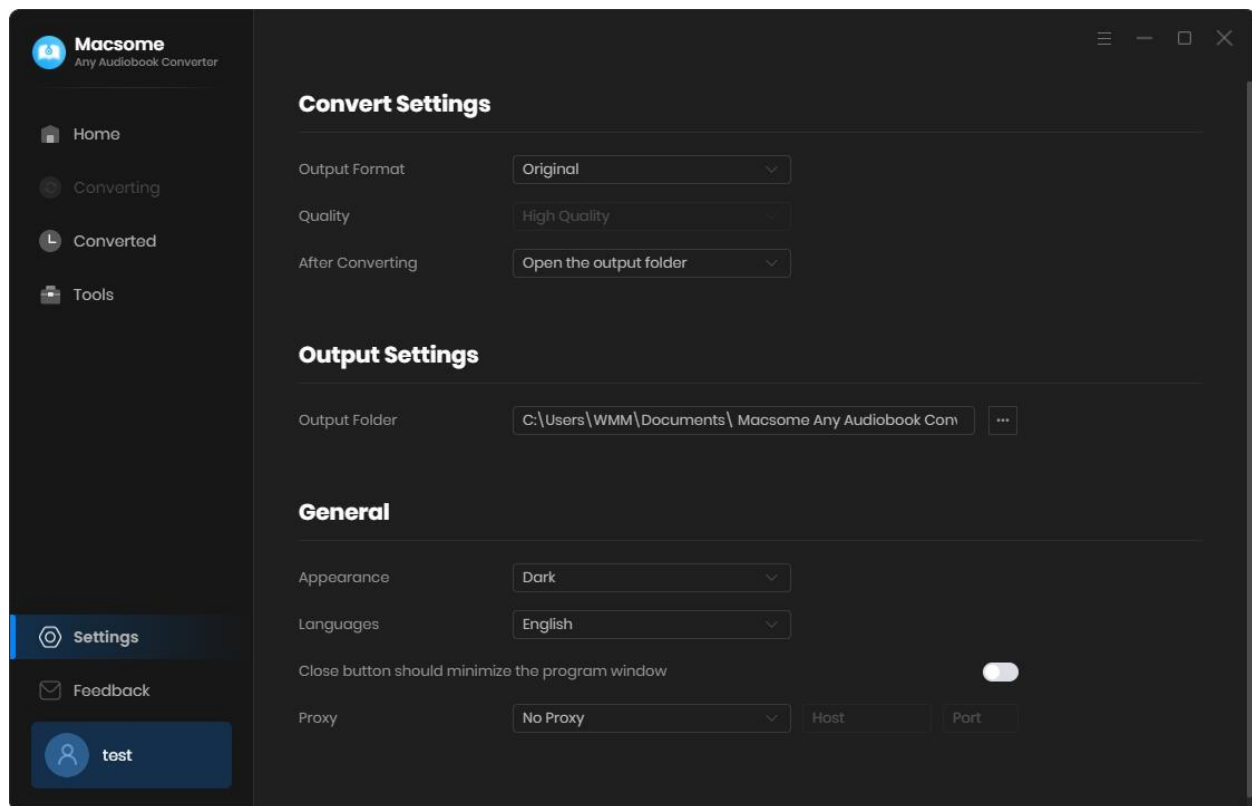

Convert Settings:

Output Format: MP3, M4A, W4B

Output Quality: High Quality, Small Size

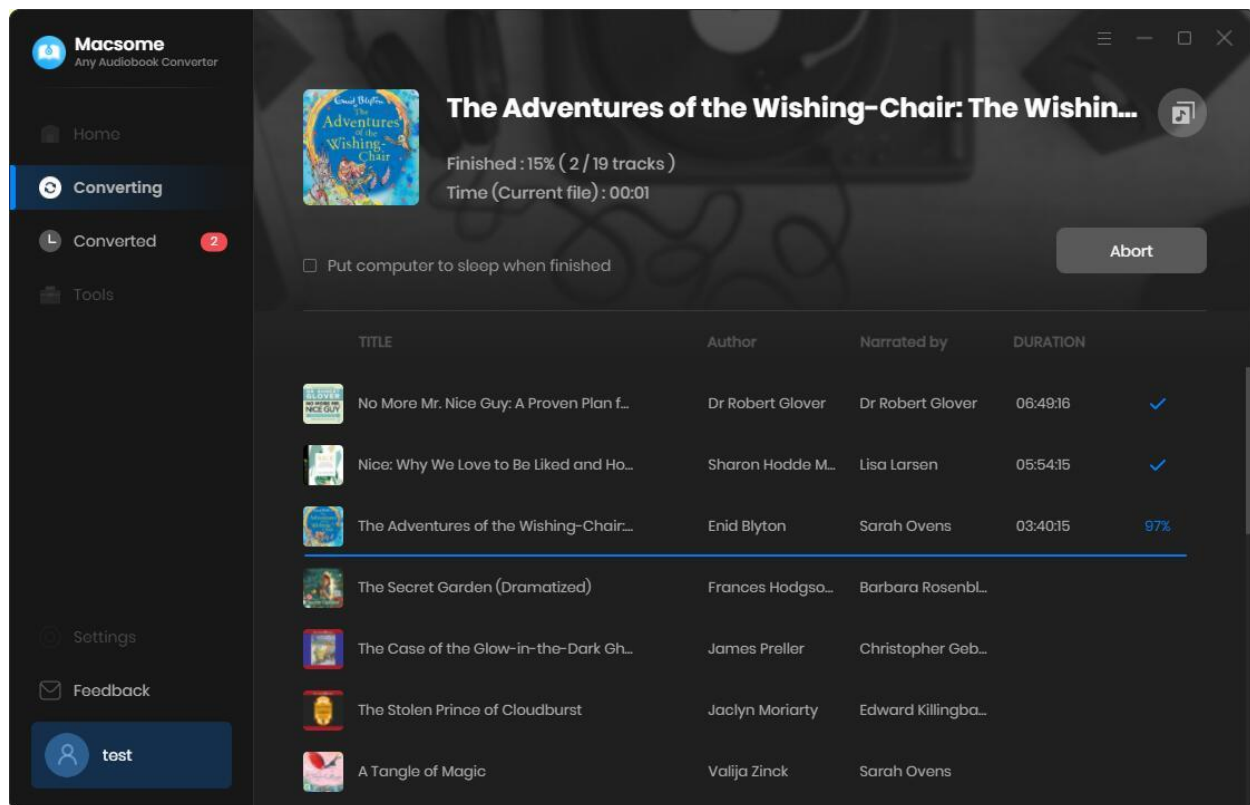

Output Settings:

Output Folder: You can choose to change it or not

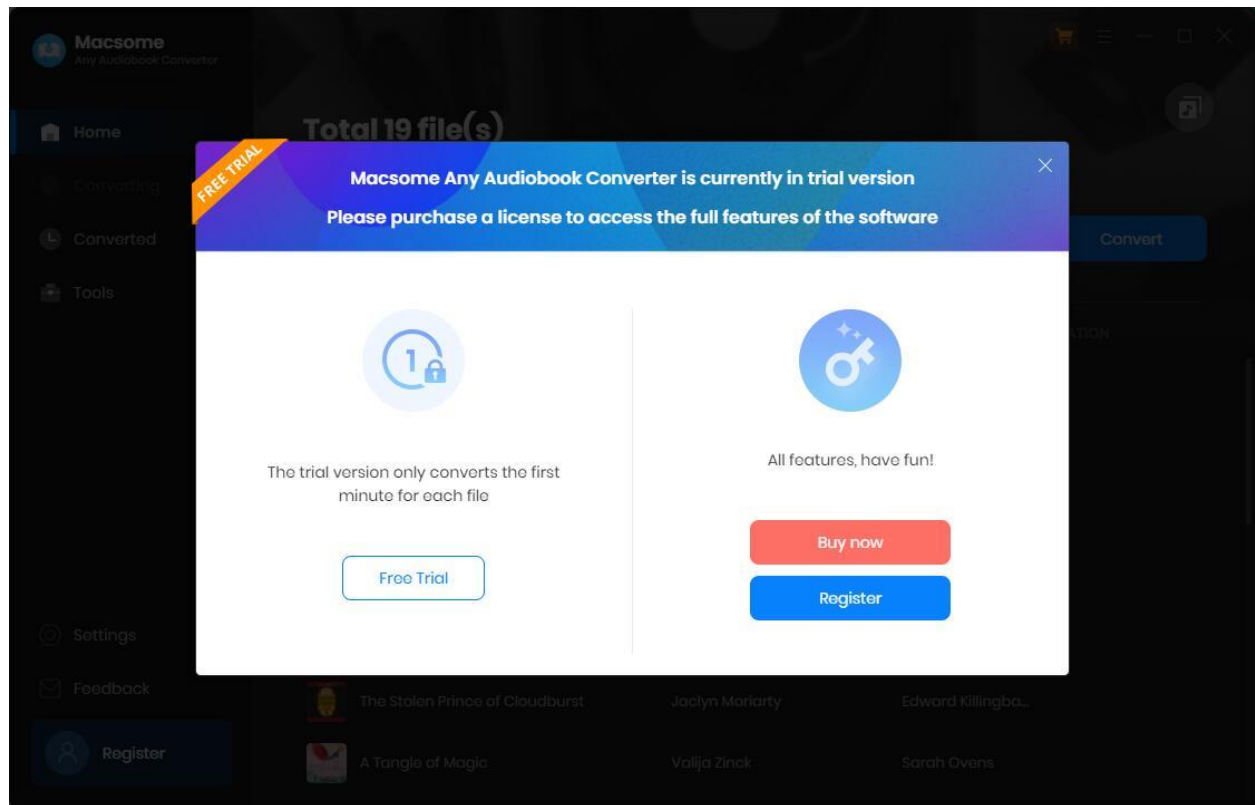

Convert Audible Audiobooks

When finish settings, click "**Convert**" button to start converting.

If you haven't purchased the program and use this product for the first time, when you click the **"Convert"** button, you will see prompt message as follows:

When you choose to convert content from Audible library, the free trial version allows you to convert 1 minute for each file.

View Conversion History

After conversion, click "**Converted**" to find your converted Audible audiobooks.

The screenshot shows the Macsome Audiobook Converter interface. The left sidebar contains navigation options: Home, Converting, **Converted** (selected), Tools, Settings, and Feedback. The main area is titled 'Converted' and displays a list of 19 converted audiobooks. Each entry includes a checkbox, a book cover, the title, author, narrator, and duration. At the bottom, there is a music player control bar with a play button.

	TITLE	Author	Narrated by	DURATION
