		You have successful	ly registered with the program. Thank you for your supp	orti	
			ок		
	macsome.inc@ gmail.com				

**Step 3.** After finishing the Registration, the limitation of the trial version will be removed.

**Note:** The registration info is case sensitive. And, please do not add blank at the beginning or the end of the word. Make sure both the Email address and key code are the same as what we provided in the confirmation email after purchasing the program.

- 1. Make sure your computer is connected to the Internet.
- 2. We suggest you should just copy & paste the Registration information into the pop-up dialog.
- 3. Make sure both Registration Email and Registration key are provided by our company after purchasing. If you have not paid, please click "Buy Now" to get a license.

# Installation & Interface

- Installation
- Main Interface
- Menu
- Language Bar
- Converting Interface

#### Installation

To install this product, please follow the steps below:

- 1. Download Macsome YouTube Music Downloader Windows version from <u>Download Page</u>.
- 2. Double click the installation file **youtube-music-downloader.exe** to install the program.
- 3. Follow the instruction to finish the installation.
- 4. Then you will see there is an icon of the program 🥝 on the desktop.

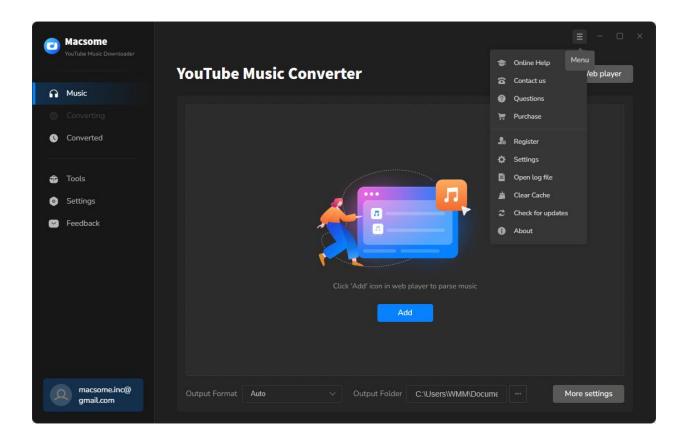

## **Main Interface**

After launching Macsome YouTube Music Downloader on PC, you will see the main interface like this:

0	Macsome YouTube Music Downloader		= - 0 ×
		YouTube Music Converter	Load Web player
ត	Music		
G	Converted		
8	Tools

# Tutorials

- Customize Output Settings
- Import Music Files
- Convert Music Files
- Check Conversion History

## **Customize Output Settings**

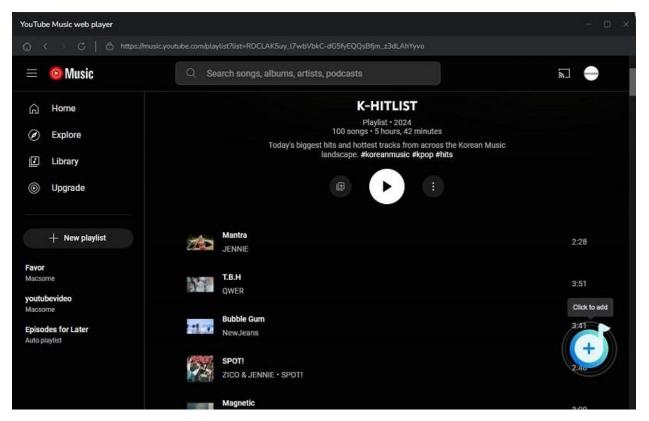

In the main window, choose the Output Format (AUTO/MP3/AAC/FLAC/WAV/AIFF/ALAC) and Output Folder. In More Settings, for better organizing your music library, you can save the output audio files into an organized folder like Playlist, Artist, Album, Artist/Album, or Album/Artist.

If you want to get the best output quality, we suggest you choose **Auto** as the output format.

0	Macsome YouTube Music Downloader			
		YouTube Music Converter	Load Web player	I
ត	Music			
0	Converted			
\$	Tools			
٥	Settings			
9	Feedback			
		Click 'Add' icon in web player to parse music		
		Add		
	macsome.inc@ gmail.com	Output Format Auto ··· Output Folder C:\Users\WMM\Docume ···	More settings	

### **Import Music Files**

Open a track, album or playlist, then you can click the **"Click to add"** button to add the music you want to convert.

Then Macsome will parse the playlist to the popup window

Then, click the "Add" button, all the songs will be listed on the main window. You can click the "Add More" button to continue choosing songs from other playlists or albums.

**Tips to Download YouTube Music videos:** If YouTube Music includes the Music video, please switch on the **"Also download the music video (If provided)"** option, and then the YouTube Music tracks as well as the music videos will be downloaded together.
